 that we (I) have read the foregoing specification and claims and we (I) verily believe that we are
 (I am) the original, first, and joint (sole) inventor(s) of the invention in 7-Substituted-3-
vinyl-3-cephem compounds and processes for production of the same

described and claimed in the foregoing specification, that this application in part discloses and
 claims subject matter disclosed in earlier filed pending Application Serial Number 428,970,
 filed September 30, 1982, that we (I) acknowledge the requirement of
 Section 112 of Title 35 of the United States Code to disclose the best mode contemplated by us (me)
 for carrying out our (my) invention and also acknowledge our (my) duty to disclose information
 of which we (I) are aware which is material to the examination of this application; that as to the
 subject matter of this application which is common to said earlier application we (I) do not know
 and do not believe that this invention was ever known or used in the United States of America
 before our (my) invention thereof, or patented or described in any printed publication in any
 country before our (my) invention thereof, or more than one year prior to said earlier applica-
 tion, or in public use or on sale in the United States of America more than one year prior to said
 earlier application; that said common subject matter has not been patented or made the subject of
 an inventor's certificate issued before the date of said earlier application in any country foreign to
 the United States of America on an application filed by us (me) or our (my) legal representatives
 or assigns more than twelve months before said earlier application, and that no application for
 patent or inventor's certificate on this invention has been filed by us (me) or our (my) representa-
 tives or assigns in any country foreign to the United States of America except as follows:
